

## Peace in the midst of the storm

1. When the world that I've been living in  
    collapses at my feet  
    When my life is shattered and torn  
    Though I'm windswept and battered,  
    I can cling to His cross  
And find peace in the midst of the storm

**Refrain:** There is peace in the midst of my storm-tossed life  
Oh, there's an anchor, there's a rock to cast my faith upon  
Jesus rides in my vessel, so I'll fear no alarm  
He gives me peace in the midst of my storm

2. When in twenty-four short hours,  
    years of living are brought to moments  
And when life's final picture is taking form,  
    In the dark room of my suff'ring,  
    there's a light comes shining through!  
He gives me peace in the midst of my storm.
